Temafloor PAS Clear

A THREE-LAYER, LOW-EMISSION FLOORING SYSTEM THAT CAN BE APPLIED IN ONE DAY

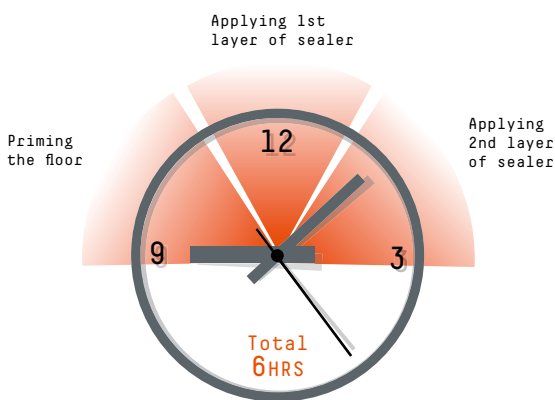

A new floor in just six hours

TEMAFLOOR PAS CLEAR IS AN EXTREMELY FAST CURING FLOOR COATING SYSTEM FOR ONE-DAY APPLICATION

Quick to apply and highly durable

Temafloor PAS Clear is a low-emission, M1 classified, low-odour coating system designed for one-day application. The product has an extremely fast-curing polyaspartic (PAS) formulation, allowing a three-layer flooring system to be ready in just six hours – making it the perfect solution for quick renovations. The finished flooring system is highly durable and won't shrink, crack or yellow. This keeps the floor looking good for longer and ensures it's hygienic and easy to clean.

Temafloor PAS Clear is an ideal solution for environments such as professional kitchens, cold storages and breweries, providing a safe, non-slip surface for employees to walk on. The product is CE marked (EN 1504-2 and EN 13813).

For more detailed product properties and application instructions please refer to the product data sheet.
