## SUPI SAUNAPESU

SAUNA CLEANING DETERGENT

**DESCRIPTION** Bleaching and lime-dissolving acidic cleaning agent.

**RECOMMENDED USES** For saunas and other wet rooms.

**PRODUCT FEATURES** Even though the product is acidic, it is gentle and non-corrosive. However, care should be taken when cleaning tile joints with concentrated and strong solutions. Do not use together with products containing chlorine.

## APPLICATION INSTRUCTIONS

### Application conditions

The temperature of the air should be at least +5 °C, and the relative humidity of the air below 80 %.

### Mixing components

Depending on the condition of the sauna, add 0.1 to 0.2 liters of Saunapesu to 5 liters of water. pH value of ready-to-use solution: approx. 2.

Depending on the condition of the sauna, add 0.1 to 0.2 liters of Saunapesu to 5 liters of water.

### DISSOLVING LIME:

Use a 10–15% solution. Undiluted Supi Saunapesu can be used on persistent lime scale deposits and dirt stains.

### BLEACHING SAUNA BENCHES:

Mix with an equal amount of water (1:1) and let work for approx. 15 minutes.

Note! Always rinse the benches with clean water after treatment.

### Note

Note! Always rinse the benches with clean water after treatment.

### Cleaning of tools

Clean tools with water. Clean tools with water.
